

ROOF SYSTEM DEVELOPMENT

PANORAMIC SUNROOF – BLTS –

[FEATURE] Thinner design with a wide opening

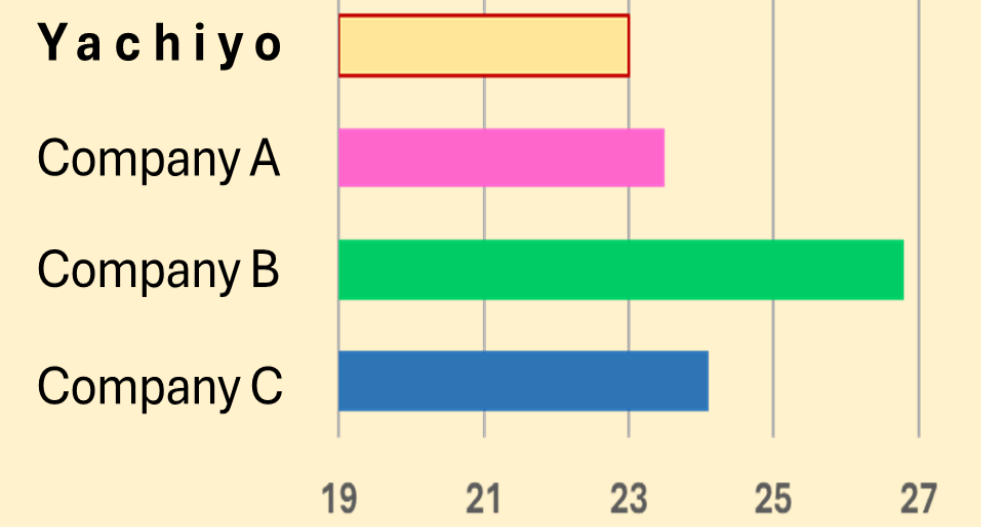

Opening Size	
X	420 mm
Y	895 mm(Interior)

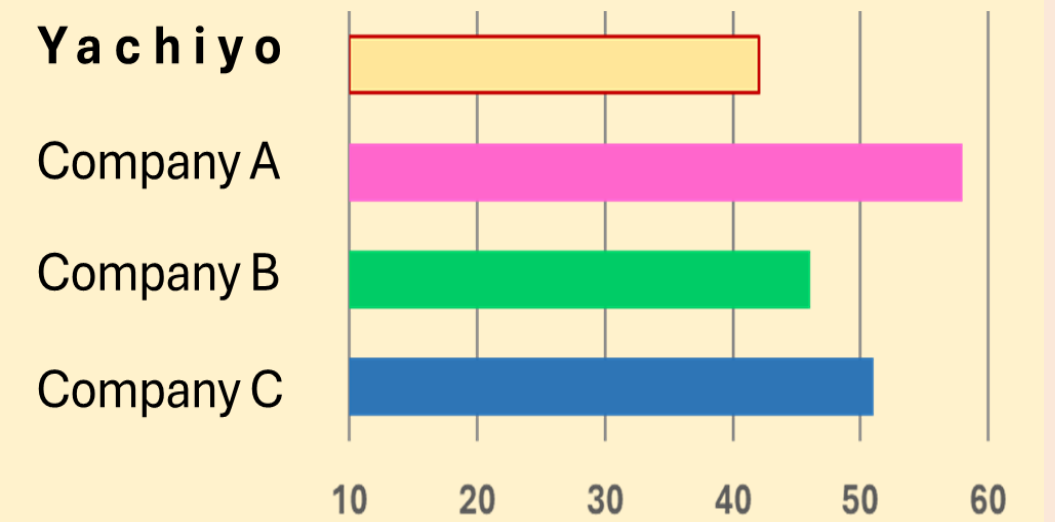

Competitiveness

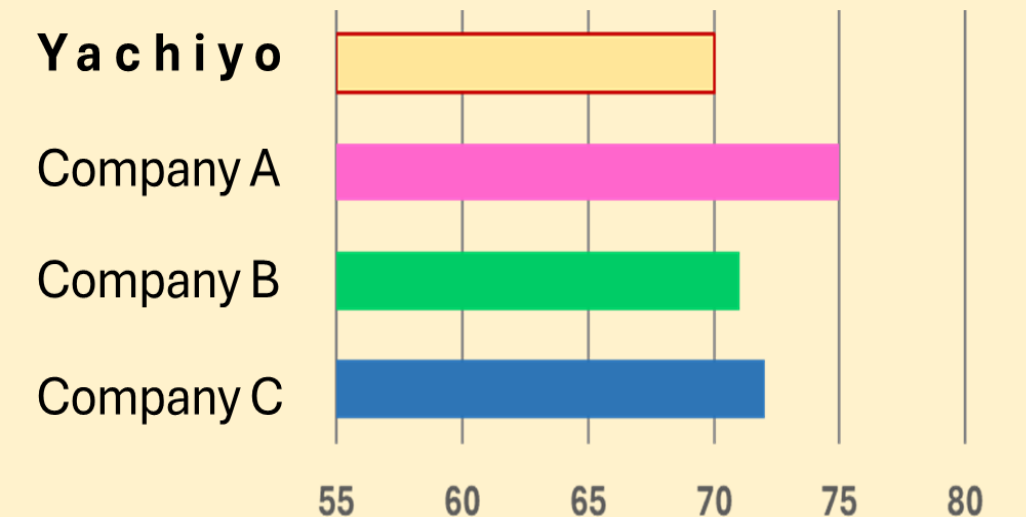

Weight

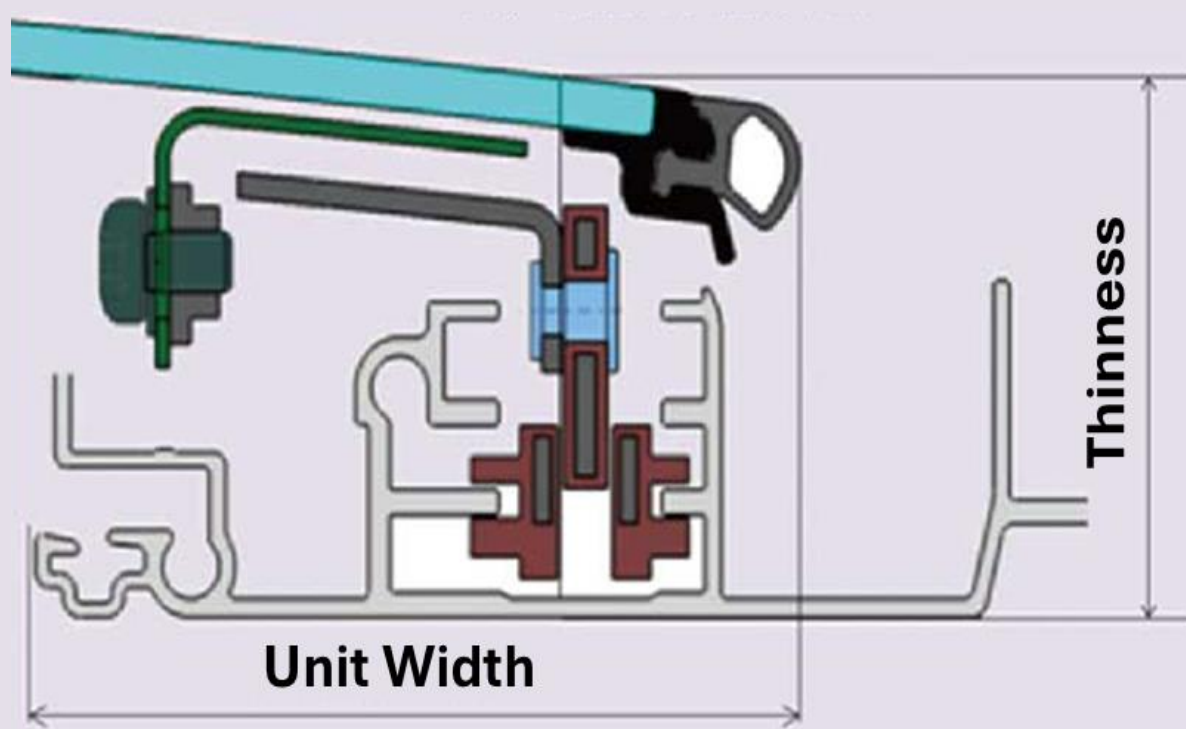

Thickness

Unit Width

Section A-A

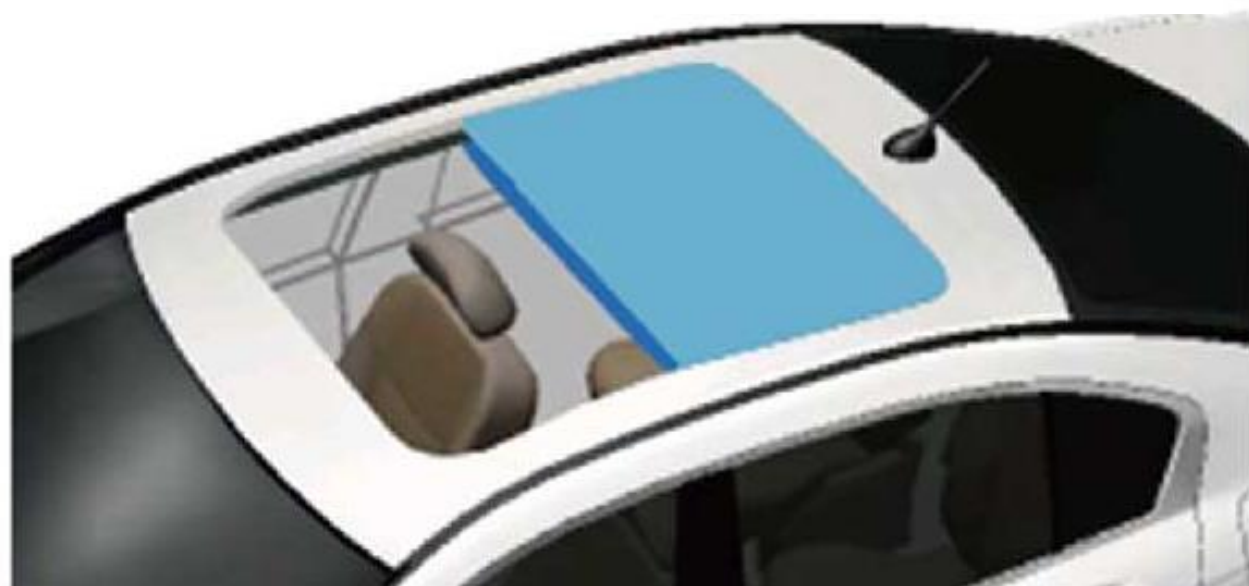

Minimized Unit Dimensions

By reducing the number of components and optimizing the position, we could achieve high-end design in weight, thickness, unit width and wide opening area.
